RE: Parent Permission to Use Student Photo on the School Internet Page

This letter is a request for permission to use a photo of your child on the official School World Wide Web page on the Internet. Student images are used on the Internet to promote a wide range of student activities. However, the use of images is strictly controlled to best assure student safety and confidentiality. Students whose images are displayed on the Internet will be identified only by first name, not family name.

Please return this form to your child's homeroom teacher to indicate that your child's picture may be used on the Internet. This permission will stay in effect until cancelled by the parent or guardian.

Thank you for your cooperation
