Phone information: ____/____/____

Please select and initial your selection

Attending school at your current school was an alternative placement due to your child moving to the area after EM Rollins had already begun their year round school year or you opted out of the year round school option. As planning for 2018-2019 school year is underway, we ask that you share your intent for the upcoming school year.

My child **WILL** remain at a traditional school for the 2018-2019 academic year. This location will be named at a later time.

_____ I understand that this placement is for the 2018-2019 academic year only and that transportation will be provided. I also understand that I will have an opportunity to apply to transfer back to EM Rollins during the application window in the spring of 2019.

My child **WILL** attend school at EM Rollins STEAM Academy for the 2018-2019 academic year.

____ I understand that the academic model will be STEAM, with a year-round calendar.
