Operations/Facilities		How does this impact the restart model in HS?	ASC 1/25
Operations/Facilities		Concern for staff adjusting to too many changes at once?	
Operations/Facilities	Restart/Consolidation/Blending.		
Operations/Facilities		<p>Would changes provide VCEC with their own buses? What impact will this have on lunch schedules? Lunch is already rushed. Will this reduce the number of bus runs? Will start/stop times change? What is longest time frame for bus routes with change? No bus changes for students from middle/high. What's the impact (financially) to furnish vacant rooms (one school (MS/HS)? Move furniture? Neither middle school can handle student count with consolidation, how will that be handled? What happens to 2-story EJ building? What are plans for buildings not used?</p>	
Operations/Facilities	No shuttles between schools.		
Operations/Facilities	No bus changes.		
Operations/Facilities		Could MS operate in a HS facility?	
Operations/Facilities		What happens to vacated buildings?	
Operations/Facilities		What will be the location of STEM?	
Operations/Facilities		*How will this impact bus routes?	
Operations/Facilities		Will time on bus increase?	
Operations/Facilities		Transportation concerns - student left (no bus driver)	
Operations/Facilities		Walk home - unbalanced population on bus.	
Operations/Facilities	Technology upgrades in the classroom.		
Operations/Facilities		Bathrooms - no doors on stalls.	
Operations/Facilities		HMS - ceilings coming down.	
Operations/Facilities		Maintenance lacking in schools - currently.	
Operations/Facilities		Where are our grants for technology?	
Operations/Facilities		Are we Title 1 or Title 5?	
Operations/Facilities		With consolidation, will federal money be reduced?
