16	17	18	19	20	21	22
23	24	25	26	27	28	29
30	31					

NC Countdown to College will offer virtual sessions for students during the month of October. Each week we will have a different topic, and will have two offerings, one during the day and one in the evening. Each session will be just 45 minutes, with time being split by a presentation on the topic and then time for attendee Q&A. Bring your questions and we are looking forward to assisting you with this exciting process!

**ES** CFNC SPANISH SERVICES WILL BE IN ATTENDANCE
