## Volunteer Survey:

---

Dear Volunteer:

We welcome you working in our schools as a volunteer. Please consider joining us in our endeavor to educate and enrich the lives of our students. We have so many talented parents and local residents who can contribute greatly to the work going on in our schools. A great way to volunteer in school is to mentor or tutor a student. However, school volunteers do not have to work directly with students. There are so many different ways a volunteer may contribute.

If you are interested in assisting in any of our schools, please fill out the survey form below. Return the completed form to your child's teacher or the school office. We will try to match volunteers to their area of interest and to the needs of students and programs within the school.

Thank you for your interest!
