Vance County Early College High School Commencement

May 21, 2020

Vance County Early College High School celebrated commencement with 41 graduates on Thursday, May 21 at 6pm. The drive-thru ceremony was held at Vance-Granville Community College.

Though unable to have a traditional graduation, we were elated to be able to recognize the Class of 2020. The ceremony was live-streamed on the school district website, as well as live updates on WIZS radio. Dr. Anthony Jackson, Superintendent of Vance County Schools, and Mr. Travis Taylor, Principal of Vance County Early College High School, presented each of the graduates with their diploma.

Vance County Schools recognizes seniors using Latin honors as determined by the student's grade point average. A total of 31 graduating Vance County Early College High School seniors received Latin honors (summa cum laude, magna cum laude, cum laude).

Seniors, Jade Puryear and Josiah Jones, delivered pre-recorded speeches to their class.

In addition to 41 high school diplomas being awarded, 29 students earned an Associate of Arts degree and an additional 12 students earned transferrable college credit. Combined, the Vance County Early College High School students have been awarded over 5 million dollars in scholarships and grants.

We are extremely proud of our seniors and wish them the best as they journey ahead. They are certain to go forth and do great things.
